DEDICATION

This page, the TITLE PAGE for our 2006 yearbook, would normally be filled with a table of contents and some reference to our theme, "JUST HAD TO BE

THERE." But early in the year, on October 16, 2005, our beloved principal, Dr. Ronald B. Seely, suddenly passed away. To understand how we felt about Dr. Seely as our principal, you "JUST HAD TO BE THERE." He was the principal at AMHS for all of our high school years, and we miss him.

Thus, we dedicate the 2006 yearbook to our friend, mentor, colleague, and champion, Dr. Ronald B. Seely. May he remain forever in our hearts.

First and foremost I wanna give thanks to God for making everything possible. For my mom and sisters who believed in me and set good examples. Galdy for being a father figure to me. My 4 nephews who kept my head up and kept me happy. My cousin Crystal who has always been there for me. For anyone that made a difference in my life. To everyone in school that made me laugh and feel comfortable. To Mike for singing to me everyday. And Vanessa for keeping it real instead of being Fake like the others. Congratulations class of '06!

Wow, Time really flies; hmm.... I don't know what to say. When I first came to Avon, I was like "Whoa! I'm in Pleasantville"... but whatever I was here now. Eventually, I got used to this school. I had trouble writing this Bio, but after nice talk with Jesus last night, there were some inspirations. Let's see, over the years, I met some really interesting people. Some of them whom I could say they're "special" to me. But anyways, I'd like to say, I'll miss u guys: Derek, David, Ben, Justin. And to all muh other peeps, Jacqui Clark, Milourdes, Kellie, Sam, that German kid, and how can I forget, A.C.!!! ; Jackie Gorman (Ms. Smarty pants over here), Mr. Henderson, Nilsen, Healey, and especially Mrs. Mahoney!!!!!! I'd like to name some more, but I'm running out of space, sry! Senior pride -> '06!!! Woot

Just Had To Be There...

class of

Remember When

Ashley Francisque

We put together that note that was ripped up during study; Brian gave me that Oreo from the floor and I spit out milk, and the 8th grade church sermon.

Jenifer Polson

Sammy, remember when we went bowling and you threw the ball in the wrong lane, your bowling ball jumped the lane separator.

Samantha Steen

Mrs. Gelinas kept us hostage in physical science in 10th grade; Augusto tried to sell Mrs. Locurto thongs.

Kulwant Singh

Ashley fell off my car when we went to the palace with Sidney, Celine, and Kiran. D and Stephen dressed up as agents and came into Mr. Schneider's class and he flipped out; when Ashley and me owned CVS.

Brian Moller

The cafeteria blew up...

Kiran Kaur

Our class always got the shaft. The indian dance at MCC, the Latin trips, Hendi's class in the 60's study, "the blue books", myspace, KS, CJ, SP and me at the palace...

Melissa Lemieux

...we went to the library after school everyday, used the saw, we wrote the books, Kiran didn't want to sit with us at lunch, Latin field trips, and we went to the playground everyday....

Sammantha Josselyn ...

In Ms. Nilsen's class when Ricardo asked who Columbus was, in 9th grade English when Matt looked up gullible in the dictionary because someone said it was not in there...

Jacqui Benjamino

Samantha went to the wrong class and Mr. Ruggles had to go get her 1/2 way through the period...

Stephen Troy

We April-fooled Mr. Ruggles into thinking we left Big Mike at the South Shore Plaza... I wore a Matrix outfit...

Celine Jaro

When Sami and I pulled off the biggest punk in the world...

Kellie Grant

I set the paper towels on fire in foods class, Augusto's "pacemaker" went off in Mrs. Gelinas's class; Mike and I had to read the "Rocky" play in Mr. Ruggle's class and we got embarrassed about the kissing scene.

Class Will

Ashley Francisque

I leave the class of 07 the senior lounge and you better take care of it

Jenifer Polson

To my cousin Brendan I leave you 3 more years of high school!! Good Luck and have fun

Kulwant Singh

I leave 8 years of school to my cousin Tanjyot and my lil white brother Jappy 2 years

Kiran Kaur

I leave my lil sis Gagan and lil bro Harpreet one more year at Avon High

Melissa Lemieux

I leave my sister, Ally, 3 more years at Avon

Sammantha Josselyn

I am leaving 4 more years to my brother Richard and 1 more year to my sister Elyse to Emily and max the best years of school ahead

Jacqui Benjamino

I leave Mr. Giff a cupcake and ice cream party

Celine Jaro

I leave 2 more wonderful years of high school to Anthony and my brother Ray, and I leave 3 more years to Faith.

Nicole McGowan

To the class of 2007 I leave you happiness, joy, and laughter. Cherish the time you have left because it's over before it starts

Angela Williams

Since I'm moving on, I leave my little brother 3 more years at Avon High enjoy'em. And to my gurls that are stuck here for another year, I leave ya'll our legacy and all my notes and cheat sheets.

Kellie Grant

I leave Hayley Fernald my life at the studio, and Mr. Healey my annoying voice.

Embarrassing Moments

Ashley Francisque

...when I fell on the first day of school in the middle of the hallway, and no one wanted to help me up

Brian Moller

...In my 1st gym class when I ran out of the locker room and tried to touch the rim and then fell and broke my arm

Kiran Kaur

...When I faced Mr. Giff in a basketball game and lost.

Melissa Lemieux

...When I called Mr. Ahern "Dad"

Sammantha Josselyn

...When I threw the ball down the wrong lane while we were bowling and there were people playing in that lane

Jacqui Benjamino

Freshman year I had crutches when we went on a Latin field trip and I took the elevator while everyone else took the stairs, They forgot about me and went on the bus which was down and across the street, I couldn't find them so I almost cried as I crutched across a 4 lane road in the middle of Boston

Celine Jaro

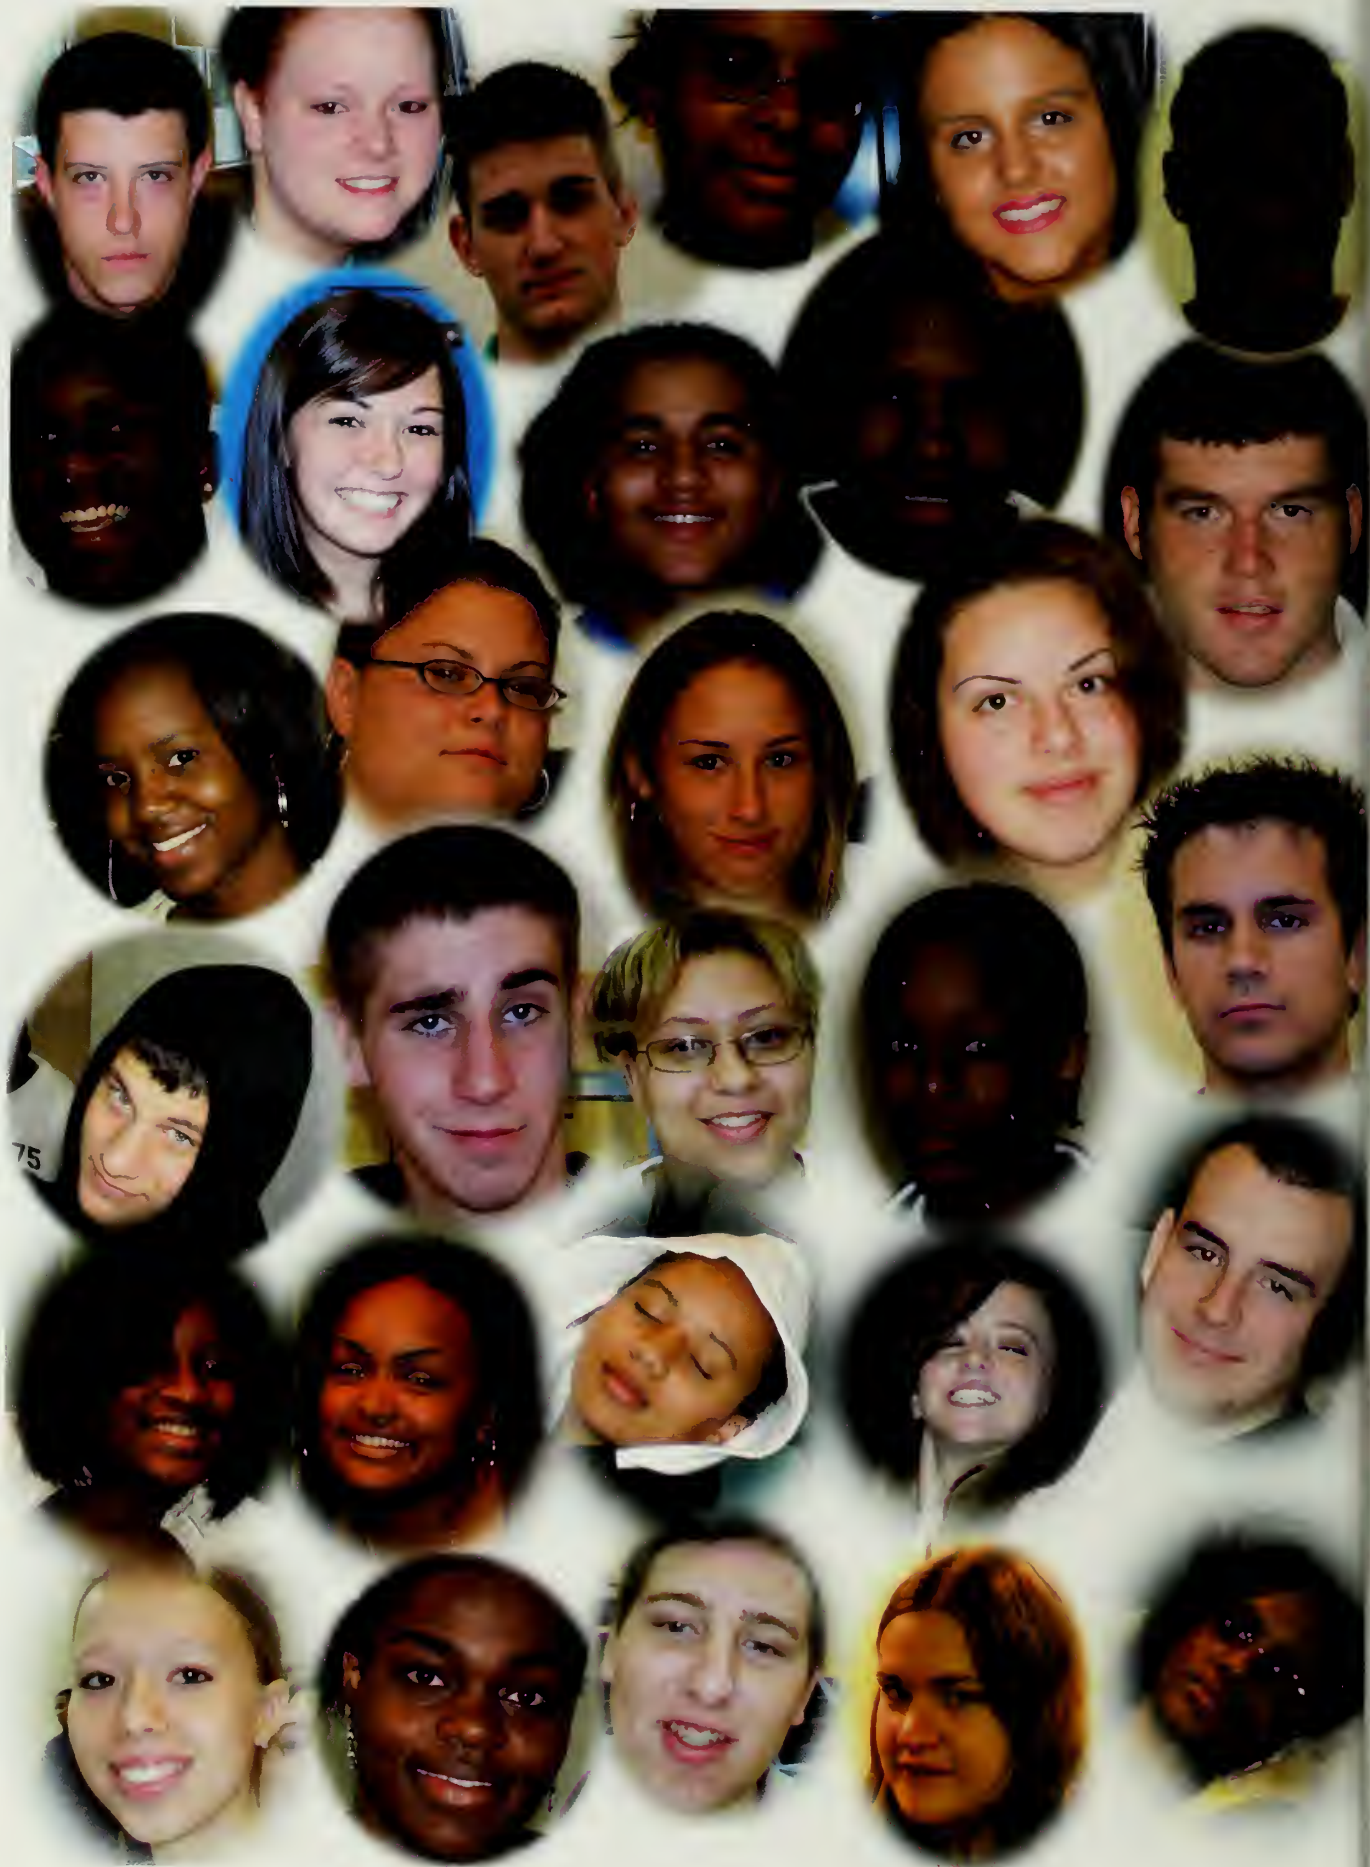

...When Augusto and I were late to get on the bus and Hendi told everyone we were "fooling around"

Angela Williams

Beginning of junior year, we had to go to school in the church and while I was going to math in another building, I stepped in goose... droppings and didn't know and I noticed it while I was in class and let's just say I wasn't the only one who smelled it!!

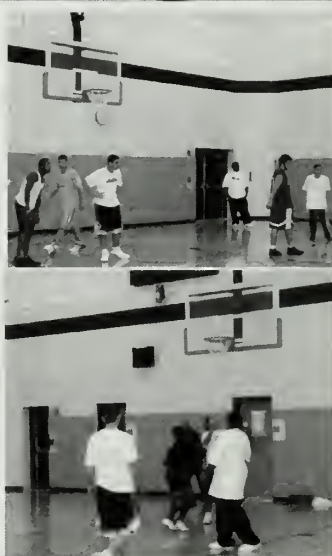

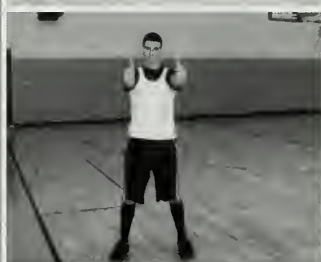

Kellie Grant

...When I was a freshman and I was making fun of a senior for not wearing a bra, only to look down and realize I had forgotten to put one on!

A large collage of black and white photographs, likely from a yearbook or commemorative album. The photos are arranged in a grid-like fashion, with some larger and some smaller, creating a dense visual representation of a community or group. The subjects are primarily children and young adults, captured in various poses and settings. Some photos show individuals, while others show groups. The overall tone is nostalgic and celebratory. The collage includes: a row of five baby portraits at the top; several photos of children and young adults in formal or semi-formal attire; a large group photo in the middle-right; and a photo of a man and a woman in formal wear at the bottom left. The photos are interspersed with white space, creating a balanced yet busy composition.

Sammantha Josselyn

This collage consists of 20 black and white photographs arranged in an overlapping, non-linear fashion. The photos depict various scenes from student life:

- Top Center:** A group of four young men in formal attire, including tuxedos and suits.
- Top Right:** A couple in formal wear, a man in a tuxedo and a woman in a dark dress.
- Middle Left:** A group of young men in formal attire, including tuxedos and suits.
- Middle Center:** A couple in formal wear, a man in a tuxedo and a woman in a dark dress.
- Middle Right:** A couple in formal wear, a man in a tuxedo and a woman in a dark dress.
- Bottom Left:** A couple in formal wear, a man in a tuxedo and a woman in a dark dress.
- Bottom Center:** A couple in formal wear, a man in a tuxedo and a woman in a dark dress.

Together We Make the Dream Work!

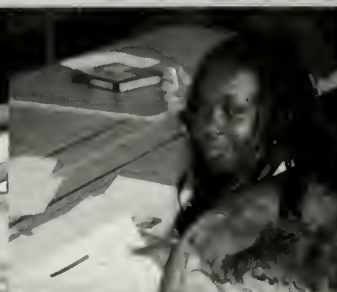

Thank you

This page is dedicated to all the people who made this yearbook possible. To **Mrs. Miller** and her Ad campaign: thanks for raising the funds required to pay for the publication of this book, so students wouldn't have to pay more for their yearbooks. We really appreciate all the time and effort you put into selling ads and drumming up support. To **Mr. Moegelin** and his camera: Thanks for the many pictures in this book that came from your camera. To the **Teachers** of Avon Middle High School:

Thank you for your tolerance of class interruptions (we really tried to minimize those!) to take pictures. Finally, for all who read this, be sure to thank the **YEARBOOK PRODUCTION STAFF**. For the first time in **fourteen years**, the yearbook has been completed **ahead of schedule!** This is due to the hard work by ALL members of the yearbook staff. **Special thanks** to the following staff members: **Celine Jaro**, for your awesome organization of Superlatives and your willingness to help out *whenever* it was needed; **Sammantha Josselyn**, for *always* being there to take up the slack; **Jen Polson**, for following through on *any* task you were given; **Samantha Steen**, for your positive attitude and the *bazillion* things you did to make the yearbook both on-time and excellent! Brian, Kulwant, Ashley, Bianca, and Eugenia: Thank you all for doing your part (Nice work on Sports, Brian!) **YOU HAVE ALL MADE THIS YEARBOOK EXPERIENCE THE GREATEST !!!**
THANK YOU. Love
XXOO, Mrs. M.
